## Fishing Report:

### Trout Report:

Trolling Report has been between 6-12' below top water. The primary report for bait has been power bait and Senkos.

Bank Report has been Night Crawlers, Sherbet Power Bait, and Char-treuse Power Bait.

### Bass Report

Reports have been Spinners this week only. Trolling depth is 25-30' no more than 20' away from piles, and cliffs faces. Anglers have reported using drop shots, and rubber worms.

The Crappie bite is no longer myth! The reports are starting to pick up using jigs and oddly Power Bait.

Don't forget Anglers! We LOVE fish pictures, and will happily post them on our Facebook Page.
